

## Software and Web Solutions for less!

Paragon Innovations Group is a U.S.-based company that specializes in designing and delivering quality software & web solutions to satisfied clients around the globe.

We are your *full-service* resource for:

- **Web Development**
- **Outsourcing Services**
- **Software Development**
- **Web Hosting Services**

Some of the many areas in which we specialize:

- **Custom website design**
- **Web Programming**
- **Graphic Design**
- **Content Management Sites**
- **Copy Writing**
- **Web Membership Systems**
- **Multi-Media Websites**
- **eCommerce**
- **Website Backend Maintenance**

Paragon also offers *Outsourcing Services* that enable you to provide professional technology capabilities to your customers while keeping your company name and brand in front your clients at all times.

- **We become your partner!**
- **We can help you expand your business!**
- **Add an IT team instantly**
- **We work behind the scenes for you!**
- **Take-on larger projects**
- **Generate more Income**

Paragon's *competitive pricing* means that you don't have to go overseas to find affordable development rates. Our U.S.-based project managers are with you every step of the way - fulfilling your requirements on-time and on-budget.

Paragon will not quote you a "vague" hourly rate for your project because that never really gives you the total project cost.

Instead, we carefully examine your requirements and quote you a total project price based on the following low rates:

<b>Web development:</b> \$40/hour	<b>Programming:</b> \$80/hour	<b>Web pages:</b> \$80/page
--------------------------------------	----------------------------------	--------------------------------

**Contact us today to see how Paragon can help your development project succeed!**
